

**Alabama APSE**

**EMPLOYMENT FIRST - EMPLOYMENT NOW**

## **Technology Services to Improve Employment Outcomes**

**Presenter: Tim Driskell**

**Alabama Department of Rehabilitation Services**

This workshop will discuss the various assistive technology services that are provided and how to access those services. Included will be highlights of general technologies available and the customized technologies that can be provided when there is no technology commercially available for purchase. Presenter will demonstrate some technologies used to assist with supported employment such as computer programs, memory aids, daily living aids and custom items.

**Tuscaloosa March 18th 1:30 P.M.**

**Training Venue: ADRS Office Conference Room**

**1305 James I Harrison Parkway, Tuscaloosa**
